

Aspen Lodge Carriage Tours

In order to have the maximum amount of fun on your tour, there are a few simple things to go over:

- **There is no smoking or alcoholic beverages during a carriage ride.** You are free to bring other beverages or snacks.
- **There is no littering.** If something is dropped, please notify your Driver and he/she will retrieve it for you.
- **The Aspen Lodge has the right to refuse service** to anyone for any reason but especially for those who may appear intoxicated or impaired. Rides may be shortened if the Driver believes there is an issue.
- **Communication is everything.** If any issue arises, please let your Driver know. He/she would be happy to help, but cannot if you don't speak up.
- **The maximum number of carriage riders is 6 but may be limited to 4 depending on the size of passengers.** The minimum number of riders is 2.
- **Carriage riders do not have to wear a helmet, but may do so if you wish.** Please ask your Driver for this option.
- **Private and/or wedding carriage rides can be arranged.** Unless prior arranged, The Aspen Lodge will attempt to fill spaces and you may be meeting new friends during the carriage tour if your group is small.
- **If you have had a wonderful time,** feel free to tip your Guide. The job is enjoyable but doesn't pay much!
