

2025-2026 Event Alcohol Policy

Your party is welcome to provide alcohol at your event. We would be happy to purchase this for you and have onsite if requested or you may bring it with you. There are a few guidelines we have for insuring that everyone has a fun and safe event.

No person under 21 years of age shall possess or consume alcohol on the Aspen Lodge property. Proof of age will be required at events.

Alcohol shall be served through a bartender at a central beverage station during your event. (We can provide the actual bar furniture for this). No alcohol can be self-served during your event. Guests may not bring their own alcohol (BYOB).

There are 2 options for alcohol serving at your event:

1. Hire an individual bartender or a bartending service and submit a copy of the bartender's license or liability policy prior to the event date. If you need help hiring a bartender for your event, we would be happy to assist you.
2. If you have a friend and/or relative serving alcohol and they are not licensed or insured, a separate minimum 1,000,000 event insurance policy is required and must be provided by you. The policy must name The Aspen Lodge & The Aspen Lodge Hospitality LP as additionally insured. This certificate must be submitted at minimum 30 days before event is scheduled. If you need assistance with this, we would be happy to help. (This insurance policy generally runs about \$100 and can be obtained online at sites such as theeventhelper.com.)

Guests may not take home individual beverages unless they are staying on-site lodging with us. We reserve the right to revoke this policy if a guest seems intoxicated. Unopened alcohol may be collected & removed by a designated person in your wedding party after the event for transport home.

We strongly recommend local lodging in Alpine and/or designated drivers. The hazards of driving at night are curvy mountain roads and a lot of wildlife. We care for your guests as much as you do!
